

# My New School

Going to my new school

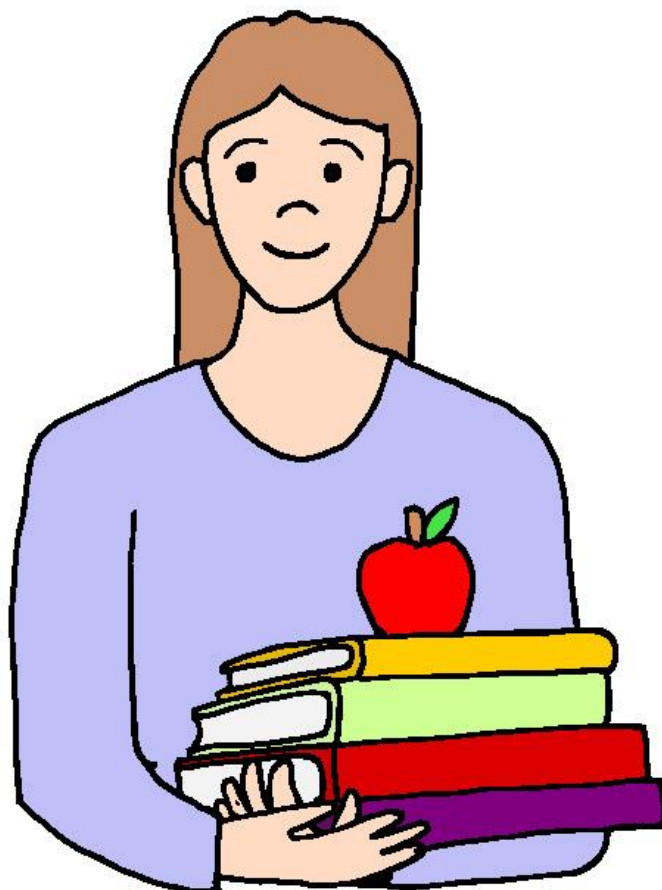

**After the Summer break  
is over, I will be starting  
my new school.**

**It will be lots of fun and  
I will meet lots of new  
friends.**

**I will have a new teacher.  
She will be nice and will  
help me find my way.**

**I might be able to meet  
my new teacher and visit  
my new school before  
school begins**

Or I might see my new  
school and teacher on the  
computer at home.

**On the first day of  
school I will wake up  
early, get dressed and  
have breakfast.**

**I might have a cool new  
uniform.**

On the first day I might  
be nervous or scared, but  
my parents say that's  
OK.

**My Mammy and Daddy  
will make sure I am safe,  
even at my new school.**

My school was closed  
over the Summer so it  
could be cleaned to get  
rid of any germs.

**I may have to wash my  
hands often. This will  
keep me healthy.**

**My parents want me to be  
safe and healthy.**

**My teacher wants me to  
be safe and healthy too.**

**At the end of my school day my parents will come for me or I might get a bus or taxi.**

**When I get home I will  
relax or play. I will be  
tired so I will go to bed  
early.**

**I might miss my  
preschool but I know my  
new school will be great!**

The end.
