

National Online Resources Hub for Children and young people with disabilities and their families

What is it?

As part of the roadmap for service improvement 2023-2026 Disability Services for children and Young people, the HSE is creating this new information service on <https://www2.hse.ie/babies-children/disabilities/> to provide evidence informed, accessible information and resources for children and young people with disabilities and their families.

What resources are currently available?

40+ resources are currently available on the following topics

Communication - Tips to support speech, language and interaction

Emotion and Sensory Regulation - Calming strategies and coping tools

Life skills - Toilet training, handwriting, and independence skills

Play - Sensory play and activity ideas

School - Preparing for pre-school and building confidence

Feedback

Feedback can be provided in several ways. There will be a feedback form at the bottom of each page on the website. We encourage families to visit <https://www2.hse.ie/babies-children/disabilities/> and provide their feedback to help us develop and improve this new service for families and children.
