

# Children’s Disability Network Team 6 mid - Wicklow Update December 2024

## Caseload

**Active: 361**

**Waitlist: 153**

338 Children have an Individual Family Support Plan in place with identified goals.

We have commenced waitlist for those referred January 2022 – was March 2021 at previous Family Forum

CDNT continue to prioritise supports provided and waitlist activation as per PDS prioritisation policy.

Children <12 month continue to be activated on referral as per national access policy.

Assessment of Need continues to be prioritised as per legal requirement.
