## Achieving your ESG Goals with Enable Ireland

Did you know that Enable Ireland can help with your ESG (Environmental, Social, and Governance) Goals? We can accept clearance furniture and empower you to achieve your ESG targets.

**Donating furniture to Enable Ireland can contribute to achieving your ESG goals in several ways.**

### 1. Environmental Impact

- By donating furniture instead of discarding it, you're reducing waste. Plus, lowering your company's environmental footprint.
- Furniture disposal often involves sending items to landfill. This contributes to pollution and resource depletion.
- Donations to Enable Ireland will extend the life cycle of your furniture. The furniture you donate will be resold and given a new home.
- Reusing furniture through donation reduces the demand for new furniture production. This helps to conserve natural resources. It can also help reduce energy use and greenhouse gas emissions generated through the production of new furniture.
- In some locations, Enable Ireland can collect your furniture. This can aid in lowering your emissions too.
